

*Below:* A trio of paintings by Hunt Slonem and pillows of a graphic John Robshaw linen accent the living room; the settee is George III, the curule-form stool is covered in a David Hicks fabric from Lee Jofa, and the jute rug is by Pottery Barn. *Left:* In the dining room, a tole chandelier is paired with Jansen chairs and a vintage Ralph Lauren Home marble-top pedestal table. Zuber's Les Lointains wallpaper lines the room; the wide-plank floor is stained in Sydney Harbour Paint's Palm Beach Black.
